

NITESH GUPTA

FRONTEND DEVELOPER | REACT JS | MODERN WEB DEVELOPMENT

+91 9599503094 | niteshgupta5900@gmail.com | [LinkedIn](#) | [GitHub](#)

SUMMARY

Frontend Developer with 4+ years of experience building responsive and dynamic web applications using **HTML5, CSS3, JavaScript, React.js, Bootstrap, and WordPress**. Skilled in REST API integration, converting Figma/Photoshop designs into pixel-perfect interfaces, and optimizing websites for performance, accessibility, and cross-browser compatibility. Experienced in delivering projects from development to deployment.

WORK EXPERIENCE

Frontend Developer — GTF Technologies

Feb 2025 – Present

- Translated Figma and Photoshop designs into responsive, pixel-perfect web interfaces using HTML, CSS, JavaScript, and React.js, with a strong focus on usability and cross-browser compatibility
- Integrated REST APIs using Fetch API to build dynamic, data-driven website features
- Customized WordPress themes and built SEO-enhanced sites, improving website performance through image optimization, lazy loading, and code minification
- Improved WCAG accessibility across 10+ projects through semantic HTML, structured layouts, and QA testing
- Diagnosed and resolved recurring frontend bugs, reducing reported UI issues by 30%

Frontend Developer — Maxtra Technology

Jun 2024 – Feb 2025

- Built and maintained 8+ responsive Websites/templates, managing CMS structure for easier content updates by non-technical staff
- Designed logos, banners, and web graphics using Photoshop and Figma that improved brand consistency across client sites
- Optimized meta tags and structured data for 6+ sites, contributing to a 20% increase in organic search visibility
- Enhanced PDF-friendly templates using HTML/CSS for consistent cross-platform printing

Frontend Developer — Radium Box Phil Technology

Nov 2022 – Jun 2024

- Developed and maintained 12+ responsive websites using HTML5, CSS3, JavaScript, Bootstrap and Wordpress for company and client requirements
- Diagnosed and resolved frontend/cross-browser issues, improving site stability and mobile responsiveness
- Represented the company at 5+ industry exhibitions and trade shows, supporting product visibility to prospective clients
- Managed SEO-optimized social media content, growing audience engagement by 25%
