WEBSITE DEVELOPER | FRONTEND DESIGNER | UI/UX SPECIALIST

+91 9599503094 | niteshgupta5900@gmail.com | <https://www.linkedin.com/in/nitesh-gupta-825543229/> | <https://github.com/ltzNitesh>

SUMMARY

Results-driven Front-End Web Developer with 3+ years of experience in building responsive, high-performance web applications using HTML5, CSS3, JavaScript, and React.js. Proficient in modern styling frameworks and tools, including Tailwind CSS, Bootstrap, SASS, and LESS, with hands-on experience in WordPress theme customization and CMS management.

Strong focus on UI/UX design, accessibility, and cross-browser compatibility to ensure seamless user experiences across devices. Experienced in implementing SEO best practices, optimizing performance, and building scalable frontend architectures to deliver efficient, user-centric digital solutions.

WORK EXPERIENCE

GTF TECHNOLOGIES

24 Feb - 2025 to Present

WEBSITE DEVELOPMENT (FRONTEND DESIGNING)

Job Responsibilities:

- Designed, expanded, and maintained responsive websites using HTML5, CSS3, JavaScript, jQuery, and Bootstrap
- Customized WordPress themes and built dynamic, SEO-enhanced websites aligned with business goals
- Generated user-friendly UI/UX designs, including logos, banners, and web graphics
- Converted Figma designs into pixel-perfect, responsive HTML and CSS code
- Implemented SEO best practices, including meta tags, structured data, and content optimization
- Upgraded website performance using image optimization, lazy loading, and code minification techniques
- Ensured cross-browser compatibility and mobile responsiveness across all projects
- Conducted QA testing to enhance user experience (UX) and website accessibility (WCAG standards)
- Developed print-friendly and PDF-compatible templates using HTML and CSS
- Built structured web layouts with clear information architecture and intuitive navigation
- Diagnosed and fixed frontend issues, improving website stability and performance
- Maintained clean, scalable, and well-structured code following modern web standards

MAXTRA TECHNOLOGY

03 June - 2024 to Feb - 2025

WEBSITE DEVELOPMENT (FRONTEND DESIGNING)

Job Responsibilities:

- Web Development: Created, expanded, and sustained responsive websites/templates using HTML5, CSS3, JavaScript, jQuery, and Bootstrap. Tailored WordPress themes and built dynamic, SEO-optimized websites.
- CMS Management: Planned, structured, and managed Content Management Systems (CMS) for efficient digital content management and UI/UX optimization.
- Graphic & UI Design: Created logos, banners, and web graphics, ensuring a visually engaging and user-friendly interface aligned with brand identity.
- PDF & Document Templates: Enhanced PDF-friendly templates using HTML & CSS, ensuring cross-platform and print-friendly compatibility.
- Frontend Development & Quality Assurance: Assisted in front-end coding, implementing quality assurance (QA) testing to improve user experience (UX) and website accessibility.
- SEO Optimization: Optimized meta tags, implemented structured data, and streamlined rich media to enhance search engine rankings (SEO) and website visibility.

Job Responsibilities:

- Frontend Development & QA Support: Assisted with front-end HTML development, implementing quality assurance (QA) testing to enhance user experience (UX), website accessibility, and performance.
- Company Representation: Represented the company at industry exhibitions, events, and trade shows, effectively promoting products, services, and enhancing brand visibility. Website Development & Maintenance: Planned, developed, and upheld responsive websites using HTML5, CSS3, JavaScript, jQuery, and Bootstrap to meet company and client requirements. Error Resolution & Debugging: Diagnosed, troubleshooted, and resolved frontend development issues, ensuring optimal website performance, cross-browser compatibility, and mobile responsiveness.
- Social Media Management: Initiated, curated, and scheduled SEO-improved content for social media platforms, driving audience engagement, brand awareness, and online growth.
